Apprentices – Fitter/Machinist, Fitter/Welder & Service Technician

We are an Industry leading 5th Generation family-owned Engineering Manufacturing Company with a major focus on our Company Values – Teamwork, efficient, attitude, customer focus & community.

We are seeking enthusiastic individuals to join our team as Apprentice Fitter/Machinists, Fitter/Welders and Service Technicians.

The ideal candidates will have excellent mechanical aptitude along with problem solving skills. Must be willing to take on responsibility and thrive in a team setting. Working under guidance of experienced staff members, you will gain valuable knowledge of industrial machinery and systems as you complete your apprenticeship program.

In this role you will be responsible in assisting the manufacture, installation, maintenance and repair of a wide variety of customised industrial machinery and equipment. This includes the opportunity to travel Australia wide.

As an apprentice you will be the next generation of employees to join our amazing

team in January 2025. You'll assist with maintaining a high standard to enable optimum production performance and safe operations.

What we're looking for:

- Strong mechanical aptitude
- Good verbal communication and interpersonal skills
- Ability to follow instructions and work effectively in a team environment
- Commitment to workplace safety
- Must be an Australian Citizen or Permanent Resident
- Commitment to attending and completing all requirements of TAFE

What's in it for you?

- Become Trade Qualified
- Get paid while studying for your trade
- Great team environment
- Supportive co-workers and management
- Fantastic work and lifestyle balance
- Make new friends

As an apprentice at AE Gibson and Sons, you will be a valued employee and enjoy the support of our entire team to ensure assigned tasks are completed in a timely and safe manner.
