Description**Apprentice Motor Mechanic 1st Year****Job Location**

Port Macquarie

MIDCOAST 4WD CENTRE

Employment Type

Full-time

- **Want a fulfilling career that can take you further?**
- **Willing to learn and not afraid of hard work?**
- **Join the friendly and supportive team at VDL Group Pty Ltd trading as Midcoast Mobile Servicing Mechanical Repairs & Auto Electrical, Midcoast 4WD Centre**

We are a family owned business and have been established for over 30 year. VDL Group Pty Ltd is a one-stop shop for all make and model servicing, rego inspections, auto electrical repairs and fitouts, air conditioning, 4wd fit outs including suspension, 4wd accessories such as bullbars, canopies, towbars the list goes on and on. VDL Group Pty Ltd also offers retail services for all our servicing, 4wd accessories and camping equipment and even offer outback travel advice.

We are currently looking for a **1st Year Motor Mechanic Apprentice** to join our service team at Midcoast Mobile Servicing Mechanical Repairs & Auto Electrical, Midcoast 4WD Centre.

Our skilled trade professionals will assist you to apply your practical skills and gain knowledge of how to diagnose problems, repair and service a range of light and heavy vehicles and equipment. You will gain valuable hands on experience with repairing and servicing engines, transmissions, cooling, steering and suspension systems, hydraulics and fuel injections systems and much much more. With the help of our qualified team, gain your Certificate III which has 4 year nominal study term. This is an excellent opportunity to turn your passion into a successful long-term career in a growing industry.

Our successful applicant will have:

- Mechanical aptitude
- A current drivers licence
- Excellent communication skills
- Drive and determination to excel in the automotive industry
- Have the ability to work well in a team
- Customer service skills
- Attention to detail quality and safety
- Strong written and oral communication skills
- Strong computer literacy

This is an entry level position where you will be provided with excellent training and support to excel in your career.

****Applicants must be physically located in Australia**
